

# LIBYA BUILD 2013

The 9<sup>th</sup> International Building and Construction Exhibition

## NEW VENUE

### LIBYA BUILD EXHIBITION MOVES TO LARGER VENUE

Libya Build Exhibition now in its 9<sup>th</sup> edition, being held between the 19<sup>th</sup> and 23<sup>rd</sup> May 2013 will be moving to the Tripoli Sport City this year.

The largest ever exhibition to be held in Libya will transform the parking area of the Tripoli Sports City, an area of over 30,000 sq. mtrs, into the largest ever exhibition centre in Libya sending a clear and unequivocal message that the country is ready to do business.

Neptunus Tent structures of Holland has been awarded the contract to set up over 20,000 sq. mtrs of specialised tent structures where exhibitors coming from Algeria, Austria, Belgium, China, Czech Republic, Egypt, France, Germany, Greece, Hong Kong, India, Italy, Malaysia, Malta, Portugal, Saudi Arabia, Slovenia, South Korea, Spain, Tunis, Turkey, UAE and of course Libya will exhibit the latest projects, services and equipment for the construction and infrastructure industry, so vital for the re-building of Libya as a new and democratic nation, where the construction of new airports, roads, housing units, hospitals, schools and hotels all being priorities.

Pan Libya for Exhibitions and Events, the recent J/V between ATEX- International Exhibition Organisers and Casapinta Design Group Ltd of Malta will watch over the project management of the venue, whilst providing all exhibition services for setting up of stands at this international event.

Further details on Libya Build Exhibition can be obtained from [www.libyabuild.com](http://www.libyabuild.com)
